III. Community Relations, Announcements and Open Forum:

- Chairman Swensen read the announcements.
- Greg Desto, new Superintendent of the Dudley Charlton Regional School District came forward. He introduced himself and gave a brief description of what he's done in the District in the past. On September 17th between the hours of 3:30 and 6:30pm, he will be holding an open house at the Charlton Middle School. He will be in the Library for any parent or student that wants to stop in and meet him and ask any questions they may have. They will have information about the programs and curriculum they follow. The Board wished him luck.
- Mr. Szafarowicz thanked Mr. Swensen for MC'ing Old Home Day once again. He did a fantastic job. Once again High Octane rocked Charlton and it was a very good day. Chairman Swensen thanked the Old Home Day Committee for all the work they did.

IV. Appointments/Resignations:

1. Resignation – Activities Council. Mrs. Craver stated that attached please find a letter from Judith Butler resigning from the Activities Council. Ms. Butler is a crafter at the center as well and being appointed to the committee is a conflict of interest. Mrs. Craver would recommend the Board accept her resignation. **Motion by Mr. McGrath to accept Mrs. Butler's resignation from the**

Activities Council, seconded by Mr. Szafarowicz, motion carries. Chairman Swensen asked that a letter be sent thanking her.

2. Disbandment of Prindle Lake Dam Committee. Mrs. Craver stated that as you know, the Prindle Lake Dam has been completed and under budget. The Prindle Lake Dam Committee was an ad-hoc committee formed for the purpose of the Prindle Lake Dam project and whose terms expire upon completion of duties assigned. She stated the board is asked to disband the committee. Thank you letters have been completed and are in the sign folder. The following are the members that she would like to thank for all their efforts and hard work on this project: Rick Swensen, Joe Szafarowicz, Mitch Dunn, Serafino DeFranco, Paul Naso, Arthur Breault and Brett Locicero. Mrs. Craver would like to give a special thank you to Todd Girard, Conservation Agent for overseeing the entire project. **Motion by Mr. McGrath to disband the Prindle Lake Dam Committee and send a letter of appreciation for all the work they have done, seconded by Mrs. Cooper.** Mr. Szafarowicz stated that it was really good to see all the Prindle Lake residents work together. Mrs. Craver stated that there is a name missing from the list which is Peter Boria, who was a Selectman on the committee. **Vote on motion: motion carries unanimously**.

V. Scheduled Appointments:

6:40pm – Everbridge – Citizen Alert flyer – Carl Ekman. Mrs. Craver stated that attached is a request from Carl Ekman, Emergency Management Director who has been working with staff to get the Everbridge Citizen Alert program up and running. He is seeking permission from the Board to put a flyer in with the tax bills advising the community to sign up for Citizen Alerts. Town Collector Lucia Blanchette has stated that Chapter 60, section 3A of the Massachusetts General Laws states that the Collector may include stuffers with tax bills as long as the material to be included with the bill is "non-political municipal informational material" and cannot result in an increase in postage. The vending company that stuffs the bills has stated that their cost to stuff the notice in the 6100 real estate bills is as follows:

- If the notice is preprinted, .02 per piece which equals $122.00
- If they were to print the notice, it is .0524 per piece which equals $319.64

Mrs. Craver would recommend the Board approve the request to add the flyer to the 6100 real estate bills. She would also recommend having the vendor company print the notices and have the cost of $319.64 taken out of Selectmen's Expense. If we were to print these flyers, the cost of toner itself might outweigh the total cost the vendor is charging. Carl Ekman and Lucia Blanchette, Town Collector were present to answer any questions the board may have. Mr. Ekman explained the process of Everbridge to the Board. **Motion by Mr. Szafarowicz to approve the request to add the Everbridge Citizen Alert flyer to the real estate bills and take the cost of $319.64 out of Selectmen's Expense Account, seconded by Mrs. Cooper, motion carries unanimously.** Mrs. Craver thanked Mr. Ekman for all his work he has done on this to get it up and running.

6:45pm – Community Center at 4 Dresser Hill Road update – Activities Council. Barbara Marderosian, Chairman of the Activities Council came forward and provided an update to the Board. In May, they had $200 in their account now they are up to $11,000. As of now, they are up over $6,000 in the black after paying the expenses. They feel they can keep up with it at this time. Chairman Swensen asked for a copy of what they were reading from for our records. Don Konopacki came forward and is in charge of the theater productions. Christine Costello who was a teacher in Charlton and retired, felt working at the center was a perfect match for her. She was able to get 6 helpers for the music lessons. Sandy Bacon, Director of the Center came forward and stated that they now have a seven member board and would like to drop back to a five member board. **Motion by Mr. McGrath that we reduce the Board of Trustees of the Activities Council from seven to five, seconded by Mr. Szafarowicz.** Mrs. Bacon stated that they will be having one more resignation coming in due to illness and moving out of town. Mrs. Craver recommended holding off on changing the members until the letter is received. Chairman Swensen offered a suggested amendment to the motion to make it effective October

1, 2014. **Mr. McGrath amended his motion to be effective October 1, 2014. Mr. Szafarowicz amended his second. Vote on motion: motion carries unanimously.**

7:00pm – Dresser Hills Conservation & Management Permit – Todd Girard. Mr. Girard and George Kiritsy, Attorney for Blair Enterprises, Inc. came forward. Mr. Girard explained that this is a 7 lot residential subdivision and appurtenances. Because this permit authorizes the taking of the state listed Marbled Salamander which is listed as "Threatened", arising out of construction of Dresser Hill, the Selectmen must approve the permit as well. Mrs. Craver asked for clarification on the vote of the board they are looking for. Attorney Kiritsy stated that this is a two part process. The first is the endangered species permit issued by the state. The second part is a permit that allows them to build in the area except for the back area which will be a restriction for Conservation and the restriction has to be approved by the Board of Selectmen. Chairman Swensen asked Mr. Girard if the Conservation Commission has approved it yet and he said they did informally, they are meeting tomorrow night to finalize it. Mr. Girard also stated that in speaking with Mr. Gordon, he stated the Planning Board approves of this as well. **Motion by Mr. McGrath to approve the foregoing Conservation Restriction to the Greater Worcester Land Trust, Inc. pursuant to Section 32 of Chapter 184 of the General Laws of Massachusetts, seconded by Mr. Szafarowicz, motion carries unanimously.**

7:30pm – Request to work secondary job – Captain Bud Harris and Fire Chief Cloutier were present. Mrs. Craver stated that attached is a request from Captain Ralph Harris, Jr., seeking approval to work a secondary job as an instructor while on IOD. He has been teaching this class at Quinsigamond Community College for about four years and would like to continue. According to the Fire Contract, personnel must obtain permission from the Chief and the Board of Selectmen to work a secondary job. Mrs. Craver would recommend the Board approve this request. Chief Cloutier came forward and said he would also recommend the Board approve this request. **Motion by Mr. McGrath to approve Captain Harris's request to work a secondary job as an instructor at Quinsigamond Community College, seconded by Mrs. Cooper.** Mr. Szafarowicz asked if Captain Harris is currently on light duty? Chief Cloutier stated that currently the Fire Department does not have light duty. **Vote on motion: motion carries**. Mrs. Craver stated that they have initiated a conversation with the Fire Union to discuss incorporating light duty. Chief Cloutier feels it would be very beneficial to both parties.

VI. New Business:

1. Town of Charlton Cafeteria Plan. Mrs. Craver stated that attached is a Cafeteria Plan description which Town Treasurer Arsenault would ask the Board to review. He states that we currently have a Section 125 document dated 2007 which is a generic document downloaded from a state website. He has not been able to find the original document, if any, when the town began treating health insurance withholdings as "pre-taxed". In an effort to ensure proper documentation exists that has been updated to comply with changes in many of the state and Federal laws such as EISA, USERRA and COBRA, he is asking the Board to approve the attached plan which is tailored for the Town of Charlton. Mrs. Craver would recommend the Board approve the Cafeteria Plan Documents as submitted. **Motion by Mr. Szafarowicz that we approve the Cafeteria Plan Documents as submitted, seconded by Mrs. Cooper, motion carries.**
2. Sewer Rate Relief Fund. Mrs. Craver stated that attached is a memo from Town Treasurer Arsenault regarding the Sewer Rate Relief Fund. He states that each year, the state legislature appropriates funding to assist communities with Sewer debt service with the expectation sewer rates do not increase for rate payers. A description of the program is attached. Last year, we received $595.00. The prior year the governor vetoed the line item appropriation to help balance the state budget. In prior years, we received some funding. In FY2012, we only received $74.00 but as recent as FY2008, we received $12,592.00. Attached is the FY2015 Sewer Rate Relief application. He would ask that you sign the certification so that he can submit it. **Motion by Mr.**

Szafarowicz to authorize the Chairman to sign the Sewer Relief application, seconded by Mr. McGrath, motion carries unanimously.

3. CMMPO request for Selectmen representative. Mrs. Craver stated that the CMMPO (Central Massachusetts Metropolitan Planning Organization) is responsible for prioritizing how federal funds are spent on roads and bridges in the City of Worcester and the surrounding 39 communities. In 2003, this organization was expanded to include locally elected officials as voting members, in addition to representatives from MassDOT Planning and Highway Divisions, the Central Massachusetts Regional Planning Commission (CMRPC) and the Worcester Regional Transit Authority. Five Selectmen now represent their respective subregions on the CMMPO and the City Manager represents the City of Worcester. The CMMPO is asking the Board to send a Selectman to the CMMPO Information & Member Selection meeting at the Jacob Edwards Library – Pioppi Room, 236 Main Street, Southbridge on Thursday, September 25th at 6:30pm. This letter is also being sent to other Selectmen in our subregion. The Selectmen that attend this meeting will be asked to choose one Selectman from among the group to represent our subregion's communities on the CMMPO. The CMMPO staff will provide an overview of the role and responsibilities of CMMPO members and will answer any questions. It is very important for all communities to take an active role in deciding how federal transportation funding for roadways, bridges and other transportation-related projects is allocated in this region. This request is sent to the Board every three years when the members terms expire. Peter Boria was our representative back in 2011. What is the Board's wishes? Mr. McGrath stated that he would have to not participate in being selected for this due to the fact that he is an employee of the state. Mrs. Cooper would like to volunteer. **Motion by Mr. Szafarowicz to nominate Mrs. Cooper to be the representative to the CMMPO, seconded by Chairman Swensen. Vote taken: 3 ayes, Mr. McGrath abstain.**
4. Set Trick or Treating Date and Times. Mrs. Craver stated that it's that time of year when the Board is asked to set the date and time for Trick or Treating. Chief Pervier recommends that we celebrate Trick or Treating in the Town of Charlton on Friday, October 31, 2014 from 5:30pm to 7:30pm. She would recommend the Board approve the date and times provided. **Motion by Mr. Szafarowicz that we set the date and time for trick or treating for Friday, October 31, 2014 from 5:30pm to 7:30pm, seconded by Mr. McGrath, motion carries unanimously.**
5. FY15 Special Town Meeting – proposed date Tuesday, October 21, 2014
   1. Calendar Approval
   2. Open Warrant

   Mrs. Craver stated that Special Town Meeting time has come upon us. Attached is a proposed calendar which has you opening the warrant tonight and the meeting to be held on Tuesday, October 21, 2014. We have confirmed the date is available with the School, Town Counsel, Moderator and Town Clerk. Tonight, if you have no revisions, we ask you to approve the STM calendar and open the warrant. She had a department head meeting August 14th (2 weeks ago) where she asked them to begin the process with their Boards and Committees. To date, she anticipates there will be personnel by law proposals, zoning by law changes and capital requests. We have received one petition for a zoning change already. Mrs. Craver will have a preliminary list for the Board at your next meeting. As usual, if departments want a warrant article and do not have the exact wording, she will encourage them to request a placeholder so that appropriate language can be developed. **Motion by Mr. Szafarowicz to open the town meeting warrant and approve the Special Town Meeting calendar as presented, seconded by Mr. McGrath, motion carries unanimously.**

/II. Old Business:

1. Goals & Objectives. Mrs. Craver stated that at the Board's goals and objectives workshop held August 12, 2014, you came up with 18 goals and objectives. Before we begin to review and approve the Selectmen's FY15 Goals, Mrs. Craver would like to take a moment to review the Board of Selectmen's priorities and accomplishments from last year. (attached) Mrs. Craver has attached the FY15 list of goals (attached) for the Board's review and included three additional columns for timelines, person who will spearhead the project if applicable and what the next steps are. She has also included last year's goals sheet. Chairman Swensen recommended the Board members take this home and prioritize the list and bring it back to the next meeting for review so the Board can set them.

VIII. Committee Reports:

IX. BOS Policy Review:

1. Revised list acceptance with policy. Mrs. Craver stated that attached is a list of the Board's policies that have been completed and ones that need to be reviewed. She's also assigned each member's names to it. She would ask the board if you have no objections, to approve the list as submitted. Once approved, each member can submit one for each meeting with their recommendation for change or to keep as is. **Motion by Mr. Szafarowicz to set the list of BOS policies as set in our packet, seconded by Mr. McGrath, motion carries unanimously.**

X. Town Administrator Report: Mrs. Craver reviewed her report. Chairman Swensen stated that he received several questions regarding Charter and two channels being blocked out. Mr. McGrath stated that he had no volume and found out that Charter had a problem. You need to contact Charter and they will walk you through it. Mrs. Craver asked Mr. Anderson, Cable Guy to put a ticker at the bottom of the screen for residents to see.

XI. Other Business: (unknown at time of posting)

XII. Next Meeting Announcement:

- Next Regular Selectmen's Meeting – August 19, 2014

XIII. Adjourn/Executive Session:

Roll call vote taken: Mr. Szafarowicz – aye, Mrs. Cooper – aye, Mr. McGrath – aye and Chairman Swensen – aye. Chairman Swensen stated that an open meeting may have a detrimental effect on the bargaining or litigating position of the public body and that the board will reconvene to open session for the purpose of adjourning.

Motion by Mr. Szafarowicz to adjourn at 8:04pm, seconded by Mr. McGrath, motion carries unanimously.

Re: Charter Communications -Notice of Channel Lineup Change

Dear Ms. Craver:

This is to inform you that Charter is making some exciting changes for our customers in Charlton. We're going "all-digital", and we're adding **more than 80 new high definition (HD) channels to our lineup**.

On or after September 30, 2014, Charter will begin removing the analog format of every channel from our lineup and delivering only high-quality digital signals to each television outlet in the home. Many channels will move as fully detailed in the attached customer notification. The following Public, Educational and Government (PEG) Access channels will move and are listed below for your reference:

Programming Service	Current Channel	New Digital Channel
Public Access	11	191
Government Access	12	192
Educational Access	13	194

Over time, television technology has transitioned from low-tech analog to the high-quality digital format. As we move to all digital, we will be significantly increasing our HD lineup, up to 200 channels. We are enhancing our Video On Demand (VOD) offering with 2,500 additional titles, providing more than 10,000 VOD options. There is no additional fee for the new HD channels for customers already subscribing to Charter HD services.

Over 90 percent of Charter's customers are already using digital equipment from Charter to view their favorite channels. For customers without a Charter issued set top box or a CableCard device connected to their televisions, this change will require each

TV to be installed with Charter Digital equipment to continue viewing favorite programming.

To ensure a smooth transition for non-digital households, Charter is providing free digital equipment to customers for a specified period of time depending on eligibility. These offers will vary based on a customer's current level of service and are described in greater detail in the attached customer notification. Applicable standard equipment rate card pricing will apply upon expiration of those offers.

Concurrent with the move to all digital, we will be encrypting our basic tier of service. For customers without digital equipment, free equipment offers are being made available based on a customer's eligibility and the tier of service to which they currently subscribe. Encryption of the basic tier will ultimately result in a more secure network and free up necessary bandwidth for increased Internet speeds and other advanced services.

In the coming weeks, Charter will actively communicate with customers about how to make the move to all digital. Customer notification efforts will include first class letters, phone calls, telemarketing efforts and an informational website (www.charter.com/digitalnow). Please note, the sample customer letter and box offer that is enclosed is for Basic Service customers.

Please contact me with any questions or comments you may have at 508-595-5457 or Tom.Cohan@charter.com. If any of your residents require assistance please direct them to our customer care group at 1-888-GET CHARTER (1-888-438-2427)

COMMUNICATIONS

On September 30, 2014, Charter will start encrypting the Basic Service Tier offering on your cable system. If you have a set-top box, digital transport adapter (DTA), or a retail CableCARD device connected to each of your TVs, you will be unaffected by this change. However, if you are currently receiving the Basic Service Tier offering on any TV without equipment supplied by Charter, you will lose the ability to view any channels on that TV. If you are affected, you should contact Charter to arrange for the equipment you need to continue receiving your services. In such case, you are entitled to receive equipment at no additional charge or service fee for a limited period of time. The number and type of devices you are entitled to receive and for how long will vary depending on your situation. If you are a Basic Service Tier offering customer and receive the service on your TV without Charter-supplied equipment, Charter will provide you up to two devices for two years (five years if you also receive Medicaid). If you subscribe to a higher level of service and receive the Basic Service Tier offering on a secondary TV without Charter-supplied equipment, Charter will provide you one device for one year. You can learn more about this equipment offer and eligibility at charter.com/digitalnow or by calling 1-877-961-8517. To qualify for any equipment at no additional charge or service fee, you must request the equipment between September 30, 2014 and January 28, 2015 and satisfy all other eligibility requirements.

©2013 Charter Communications, Inc. Programming may vary. Channels, Tiers and Packaging subject to change. Services not available in all areas. Charter issued digital set-top box or CableCARD required to view programming channels. Charter issued digital set-top box required to view PPV and On Demand programming (where available). HD capable equipment required to view HD programming (where available). All programming may not be available to CableCARD customers. All service levels may contain channels with some R-rated programming, which can be blocked using the Parental Control feature on your on-screen program guide.

WELLNESS INITIATIVE PROGRAM

August 15, 2014

Keith Arsenault
Town of Charlton
Treasurer
37 Main Street
Charlton, MA 01507

Dear Keith,

Congratulations, for your efforts on behalf of the **Town of Charlton and staff**. Hampshire County Group Insurance Trust has decided to fund your Worksite Wellness mini grant proposal for **FY '15: $ 750.00.** The first half of the grant, minus the $100.00 already sent for the bulletin board incentives, will be sent out when we receive a copy of your budget, program matrix and the signed letter of agreement. We would be happy to help you with this, please call or email us if you need to schedule some time. The second half of the grant will be sent after January 1, 2015 following informal review of the progress of the wellness program at your site.

1) Return to the signed letter of agreement – this should be signed by the appropriate fiscal person(s) at your organization.
2) Return of the mini grant program budget matrix plan. We will review this at the orientation in September.

There will be a voluntary program orientation on **Tuesday September 16th , either 10 AM – 11:30 AM or 3 PM – 4:30 PM** at the Florence Civic Center 90 Park Street Florence MA. *All programs that send one member of their Wellness team to participate in this orientation will receive an additional $100 in their grants.*

If you have any questions please give me a call. I look forward to working with you in the upcoming year.

Sincerely,

Christine S. Sass

Subject: WRTA Route 29 Ridership in Charlton

Hi Robin,

My apologies for net getting this to you sooner. As promised, the data for Route 29 use in Charlton is below.

The ridership has been growing steadily during FY 2014, which is great news! For example, in July-August 2013, there were 53 inbound passenger trips (to Auburn Mall) and 35 outbound passenger (from Auburn Mall). Ridership continued to increase steadily between August 2013 and January 2014. Beginning January 27, 2014, Route 29's start/end point was extended from the Auburn Mall to provide direct service for all runs to the WRTA's Hub at Union Station in Worcester. With this routing change, the ridership increased even more to 267 inbound passenger trips and 167 outbound passenger trips.

TOWN OF CHARLTON
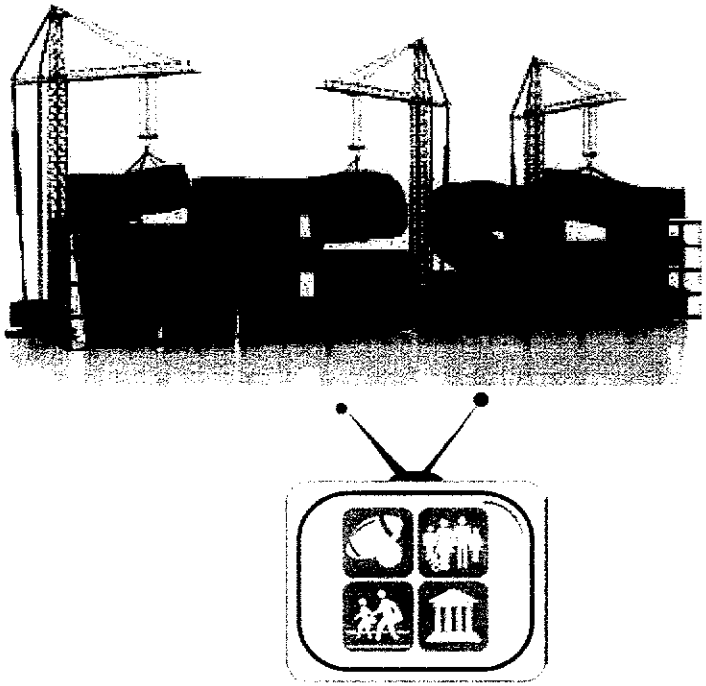
BOARD OF SELECTMEN FY14 GOALS AND ACCOMPLISHMENTS

The Board of Selectmen selected several goals in FY14 to have completed. Here are some of the achievements from that list:

BOARD OF SELECTMEN FY14 ACHIEVEMENTS



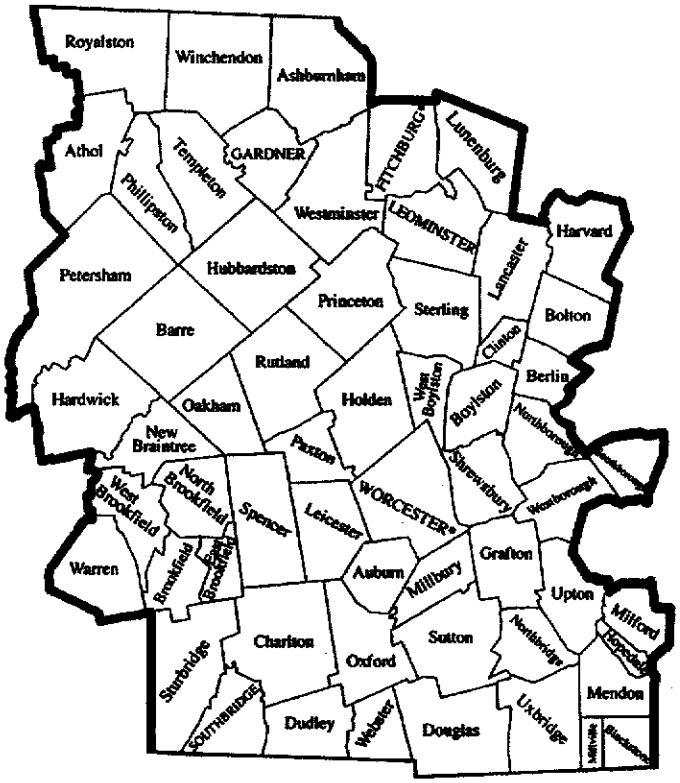
- Selectmen's FY14 goals were put on the web and given to committees, so that residents and officials would know their priorities.
- The Board was committed to creating more opportunities for residents to view public meetings. New boards and committees' meetings were taped and played on cable including the Planning Board, Assessors and Board of Health. The public has stated that they appreciate this access.
- The Town also added a Cable Manager to create shows including Who's Who and theme shows such as How to Buy a House with instruction by a local realtor.

BOARD OF SELECTMEN FY14 ACHIEVEMENTS

Selectmen wanted to explore regional opportunities. We are still researching the possibility of entering into a regional dispatch with the Towns of Webster and Dudley and are presently waiting for a report on costs and structure. There is also discussion with Towns to the north-west of Charlton.

After hiring a full time Veteran's Agent, he left for another position after 6 months. We have worked with the Town of Webster and Dudley's Agent. Talks have begun with 3 other towns who are interested in forming a Veteran's District.

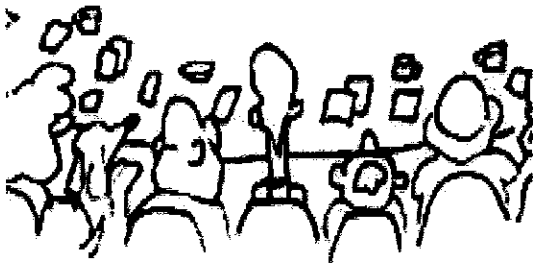
Charlton partnered with 30 Towns to produce its 3rd grant for stormwater management (saved approx. $200,000).



BOARD OF SELECTMEN FY14 ACHIEVEMENTS

The Selectmen, in an effort to beautify and make the Town Common safe, removed two Blue Spruces that were becoming dangerous. We have ordered 2 new ones to be planted in the Spring.

BOARD OF SELECTMEN FY14 ACHIEVEMENTS



Open communication was a major goal for the Board and to that end; you continued the All Boards and Committees meetings.

This meeting has fostered a greater understanding of boards and departments' work and needs throughout the year.

These meetings help create the bridge for greater community involvement and promote open government. The public are always invited and encouraged to attend and participate as well.

This year the Department Heads were invited to participate making it an All Boards/ Committees/ Commissions and Departments Meeting.

BOARD OF SELECTMEN FY14 ACHIEVEMENTS

The Board of Selectmen tasked Staff to hold at least one training for staff development. We received a grant for one representative from each building to attend an ALICE Training [Alert, Lockdown, Inform, Counter and Evacuate] train the trainer 2 day training. The group is in the process of putting together a training for town hall. The Library training has already been completed.

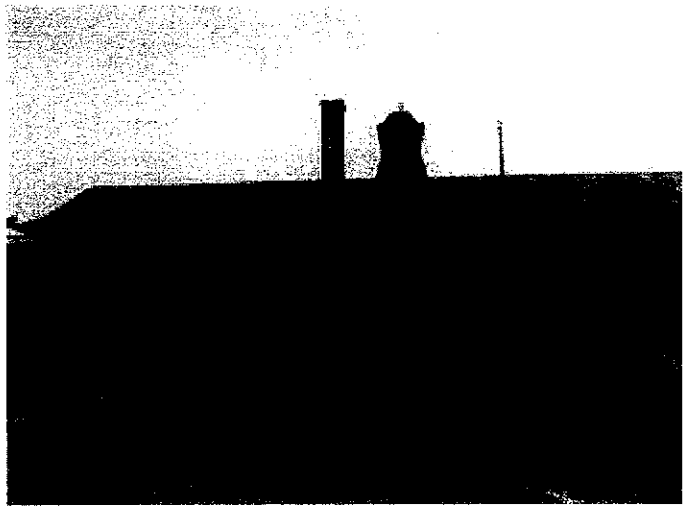
CDBG
COMMUNITY DEVELOPMENT
BLOCK GRANT



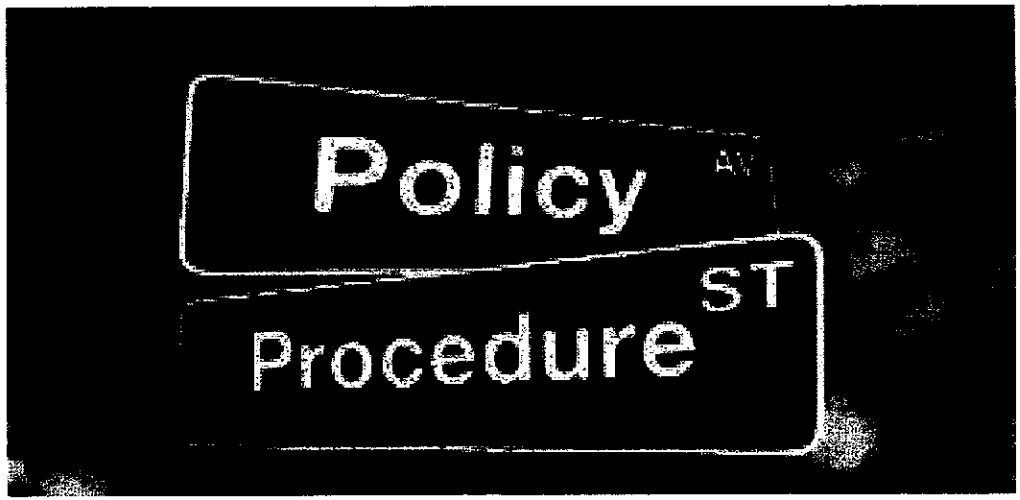
The Board of Selectmen have had as a goal ADA improvements which included the addition of an elevator in town hall for several years. To that end we submitted 4 applications in the CDBG grant rounds. This year, Charlton and Leicester joined forces and was awarded a grant. We are in the process of executing the grant contract and have contacted the architect to update the plans. We anticipate construction will begin in the spring of FY15.

BOARD OF SELECTMEN FY14 ACHIEVEMENTS

The Board has worked diligently with the Town Administrator and Finance Committee to fund needed services through good budgeting practices. To that end, the Board assisted a group of citizens that wished to get an override approved. Although the override didn't pass, the community had an enlightening conversation and education as to budget limitations, the school district budget, and state mandates.

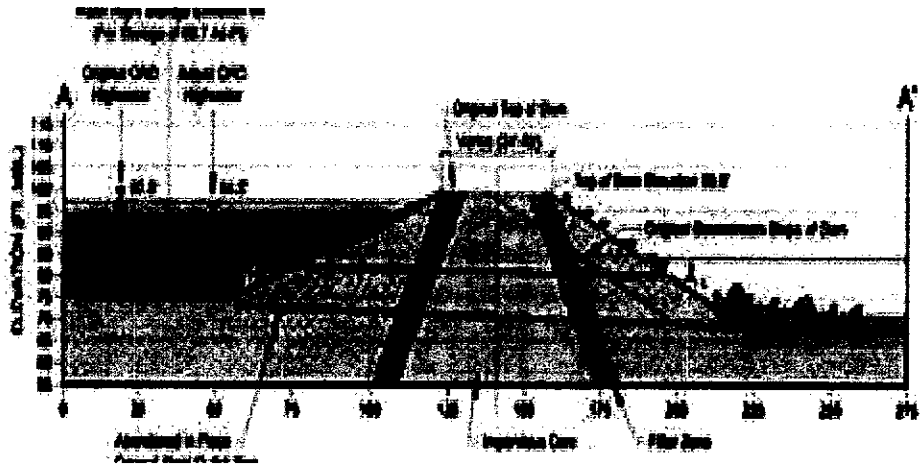
BOARD OF SELECTMEN FY14 ACHIEVEMENTS

The Board agreed that the Board of Selectmen Policies needed to be reviewed and updated. To that end, the Board tasked each member with a number of policies to review and make recommendations. 20 policies were reviewed out of 58 and the Board will continue reviewing into FY15 until complete.

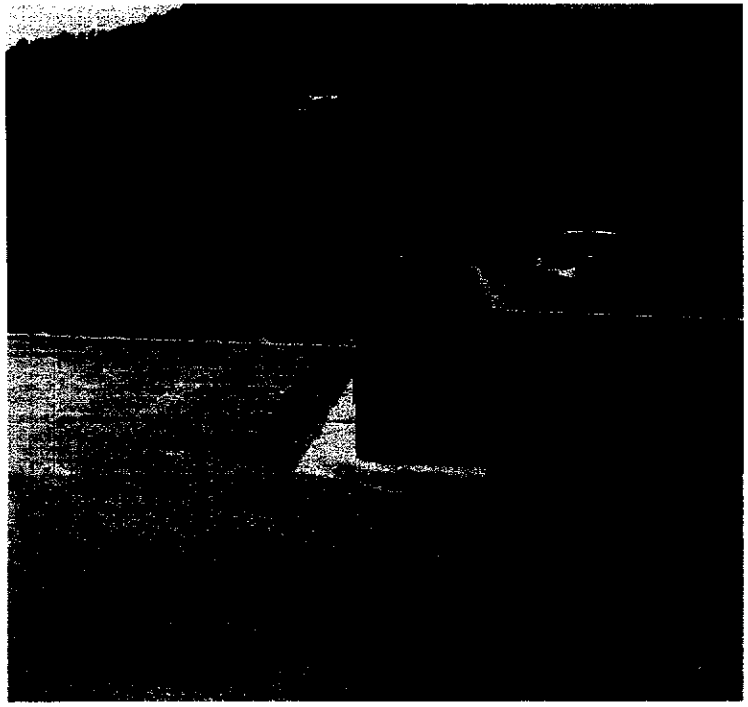


BOARD OF SELECTMEN FY14 ACHIEVEMENTS

The Board of Selectmen championed Prindle Pond residents to not lose the lake due to new imposed State regulations and an owner who needed help in maintaining the dam. The Selectmen proposed new legislation that helped residents who would benefit from the Prindle Lake Dam reconstruction pay for the costs in a fair and equitable way. Town meeting agreed and once funding was authorized, Staff procured a designer and bid out the construction of the Prindle Lake Dam renovation. Construction has been completed and betterments have been assessed. The project is ready to close out. The project was overseen by the Prindle Lake Dam Building Committee (a Selectmen sub-committee).



BOARD OF SELECTMEN FY14 ACHIEVEMENTS



The Selectmen maintained its contract with Casella for unlimited recycling and no fee trash drop off at the Casella site in Southbridge. This year it became up and running and available for residents. Casella continues to offer Charlton residents quarterly hazard waste days at no cost to the town.

In an effort to go paperless, the Town partnered with Casella who donated 10 iPads. The Board of Selectmen and FinCom went paperless this year.

BOARD OF SELECTMEN FY14 ACHIEVEMENTS

These are some of the accomplishments of the Board of Selectmen acting through Charlton's staff and department's.

I look forward to working with you on your new Goals for 2015.
