

Recycle your old fridge or freezer without lifting a finger. We make it easy.

nationalgrid

Recycle your old fridge or freezer without lifting a finger. We make it easy.

We'll pick up your fridge or freezer at no cost, recycle it responsibly, and send you \$100. Limited-time offer available through September 30th.

Whether you're looking at new models to replace your primary fridge or want to get rid of the old fridge in your garage, this program is for you. Just give us a call.
