

## Rt. 20 Reconstruction Contact List

We are all heartbroken for the mother and infant who lost their lives in a tragic motor vehicle accident on Rt. 20 Monday, October 26<sup>th</sup>. Residents of Charlton, we know this is saddening news and brings memories back other tragic accidents over many years including the Brodeur Family's loss 18 years ago. Many of you have contacted the Board of Selectmen and my office to see how and what can be done to both find a short-term fix to protect drivers from crossing over into oncoming traffic as well as a permanent solution, namely, the reconstruction of Rt. 20 in Oxford and Charlton. It's important to let your state and federal representatives know how you feel; how dangerous the roadway is; and that something must be done quickly before any more lives are lost. To that end, Chairman Swensen asked me to give you the contact information for people that may be able help and make a difference. Those include:

Charlton State Representative Peter Durant - [peter.durant@mahouse.gov](mailto:peter.durant@mahouse.gov);

Charlton State Representative Paul Frost - [paul.frost@mahouse.gov](mailto:paul.frost@mahouse.gov);

Charlton State Senator Anne Gobi - [anne.gobi@masenate.gov](mailto:anne.gobi@masenate.gov)
