

Worcester County Sheriff's Office
Sheriff Guy W. Glodis TRIAD House Numbering Program

TOWN OF CHARLTON, MASSACHUSETTS

- This program is designed to assist all emergency personnel in identifying residences that do not have a numbered address on their homes/end of driveway [if house not visible from road].
- Our Community Service Department along with our inmates will create custom wooden signage with numbers. These will then be placed on the front of the home/end of driveway.
- Residents will have two styles of wooden signs to choose from and opt for one or two signs depending on need.

Please circle your style choice below:

Please check one:

 I need one (1) sign [house visible from road]

 I need two (2) signs [house NOT visible from road]

Please print your name and address and sign on the lines below:

[By your signature, you agree to waive, release and hold harmless the Worc. County Sheriff's Office, the Town of Charlton and all its affiliates with this program from damages that may arise from installation of signage.]

<i>Name:</i>
<i>Address:</i>
<i>Phone #:</i>
<i>Signature:</i>
