

The Town of Charlton is in the process of creating a webpage especially for teens (13-19) which offers a list of things to do in and around town. We are seeking submissions from local groups or organizations that offer social and volunteer opportunities anywhere within this age group. The page layout is still being developed and will most likely be determined by the number and type of submissions received. Submissions may be subject to approval by the Charlton Board of Selectmen.

Please send submissions to Webmaster, Town of Charlton, 37 Main Street, Charlton, MA 01507. Questions can be directed to Lisa via email at dogcrazy@westwellswebworks.com.
