

CHARLTON EARTH FEST 2017

“Natural Treasures of Charlton”

Be the voice of preservation – the Earth cannot speak for itself.

Do you have a favorite outdoor place in Charlton? A breathtaking spot on a hiking trail, a relaxing edge of a lake, pond or stream, or a quiet place in the woods?

Share your favorite spot and help preserve its beauty!

- Capture it in a photograph, sketch, painting, poem, essay or any other creative outlet of your choosing.
- Submit via e-mail (NaturalTreasuresofCharlton@gmail.com) or bring it to the senior center (8-11) during Earth Day on Saturday, April 29th to be included at our display of “Natural Treasures of Charlton”.
- All contributions/entries will be compiled into a collection to be presented to the Charlton Open Spaces Committee, the Conservation Committee, and the Board of Selectman as places to conserve and protect. Collections then will be displayed in the Town Library and online on the Charlton Earth Day Facebook Page.
- All entries will be eligible for a raffle to win a 4 pack of EcoTarium planetarium/general admission tickets.
