

Hello Charlton Voters,

My name is Don Clay and I have been a resident of Charlton for over 25 years. My wife Mary and I have raised our children here and love all this town and the region has to offer. I am currently running for the open 3 year seat on the Planning Board in **the May 6th 2017 town election** and would appreciate your support.

During my time as a resident of Charlton, I have been involved in Charlton schools, seasonal sports teams and the Cub and Boy Scout organizations in town. Now that our children have grown, my focus has turned to wanting to give back my extra time to the town. I don't own a business in this town, nor do I own property other than my home. I feel this fact as well my background in engineering and previous work in construction give me a unique opportunity to provide a needed neutral perspective.

This town is in the middle of another period of growth and I have the necessary background and a passion to help assure that growth is in the best interest of the Town of Charlton as a whole. I would like to provide a fresh, unbiased and uninfluenced voice to the Planning Board. My intention for gaining a seat on the planning board is to represent the best interest of the town.

Please consider allowing me the honor of helping to guide Charlton's future growth by supporting me on May 6th. For more information or to contact me, please visit Donclay.net

Thank You

Don Clay
