Charlton Community Electricity Aggregation

The Town of Charlton is launching the Charlton Community Electricity Choice program for residents and businesses in early 2017. The program uses a bulk purchasing process designed to provide savings and rate stability for consumers on their electricity bills. This program was approved by the Board of Selectmen and the Massachusetts Department of Public Utilities.

Benefits:

- Annual savings on your electric bills beginning early 2017
- Protection from volatile electricity prices
- Leave the program at anytime without penalty

Features:

- Automatic enrollment with 30 day opt-out
- No contract to sign
- Same level of service from National Grid; continue to contact National Grid about any service issues
- Continue to receive a single bill from National Grid
- Customers may opt out and remain with current supplier
- Leave program at any time
- Keep Budget Billing
