

Charlton Fire Department

supports

The Charlton Fire Department continues our ongoing support for the Marine Corps Reserve annual Toys for Tots campaign. Members of the community are asked to drop new, unwrapped toys in the collection box at Charlton Fire Headquarters - 10 Power Station Road.

This year, we are offering an added incentive for donating...

Everyone who makes a donation will be entered into a drawing for a "once in a lifetime" opportunity...

The lucky winner will ride in a Charlton Fire Engine, as we lead this year's annual Festival of Lights Parade! The parade kicks off on Sunday, December 3rd at 6PM and you'll help us deliver Santa Claus to Charlton's Tree Lighting Ceremony.

Please visit Charlton Fire Headquarters from 10am to 8pm now until December 1, 2017 to make your donation.

Winner to be announced December 1, 2017 at 8:01pm

Thank you for your support, and Happy Holidays to All!
