

Do you like adventure, treasure hunts, and a challenge?

GEOCACHING IS FOR YOU!!

The Charlton Recreation Commissioners have asked Tim and Paulette Hallihan to hold an educational session on geocaching.

When: Thursday July 13, 2017

Time: 6:30 pm

Where: Charlton Public Library. Community room

FYI:

Geocaching is a real-world, outdoor treasure hunting game using GPS-enabled devices. Participants navigate to a specific set of GPS coordinates and then attempt to find the geocache (container) hidden at that location.

Geocaches can be found all over the world. It is common for geocachers to hide caches in locations that are important to them, reflecting a special interest or skill of the cache owner. These locations can be quite diverse. They may be at your local park, at the end of a long hike, underwater or on the side of a city street.
