WATER & WASTEWATER SOLUTIONS

253B Worcester Road, Charlton MA 01507
Phone: 888-377-7678 / Fax 508-248-2895**NEWS RELEASE****DATE:** April 4, 2017**RELEASE:** Immediate**SUBJECT:** Southbridge Water Department to perform semi-annual hydrant flushing

.....

Southbridge/Charlton – Southbridge Water Department will start its semi-annual hydrant flushing program on **Monday, April 10, 2017** at approximately 9:00pm until and continue during overnight hours for approximately 6-8 weeks between the hours of 9:00pm and 5:00am. Flushing will start in the Westville area and continue easterly throughout the Town.

The procedure will include the cleaning of the reservoir intake screens, flushing accumulated sediments from the water mains and testing the operation of each hydrant.

The Department requests that during this period customers check their water before washing clothes. Customers may also get accumulated sediments in their house laterals and experience some discolored water. This will clear after a brief run of water at the tap. Please contact the Southbridge Water Department if you have any questions or comments.
