

The Charlton Police Department has procured a prescription drug disposal container that will allow residents to dispose of their unwanted, expired medication 24/7, throughout the year. The box is located in the lobby of the Police Station. Please note the types of products and medications that are accepted and those that are not.

Accepted:

- Prescriptions
- Prescription Patches
- Prescription Medications
- Prescription Ointments
- Over-the-counter medications
- Vitamins
- Samples
- Medications for pets

Not Accepted:

- Thermometers
- Needles (Sharps)
- Medication from businesses or clinics
- Ointments, lotions or liquids
- Aerosol cans
- Inhalers
- Hydrogen Peroxide
