Charlton, MA 01507

Phone: (508) 248-4953
Fax: (508) 248-0917

We have just arrived at a very successful place in that journey. We now have water available to the residents in the Charlton City area. They may now obtain a water connection application at the Wastewater Treatment Plant at 8A Worcester Road, Charlton, Massachusetts, Monday through Thursday between 7:30 a.m. and 3:00 p.m.; and on Friday between 7:30 a.m. and 12:00 noon.

The Town of Southbridge, our water supplier, will actively process their application; and construction can begin almost immediately to connect residents that abut the active water lines.

Charlton now has water available to connect to properties on Main Street, North Main Street, Northside Road, and Route 20.

More specific information can be obtained at the Wastewater Treatment Plant at the above listed hours and at 508 248 – 4953.

Respectfully

Water & Sewer Commission
Charlton, MA
