

Charlton Recycling Committee Minutes
January 8, 2019

The meeting began at 5:40pm at the Charlton Senior Center. Present were Roland and Nancy Jackson, Kathleen Walker and Deborah Marquis.

We decided last month to meet before the All Boards Meeting which is at 6:30 pm tonight for our recycling committee business and to prepare together what to say regarding our committee's aims and accomplishments.

Kathleen mentioned there will be a meeting soon in town to discuss the transfer station. It is being set up by Jim Philbrook, the director of the Board of Health, at the town hall. Some or all of our Committee should go. Paul Degnan will be there - he's in charge of the station.

We talked about the things we have done in 2018 that Roland can present to the group tonight.

The meeting ended at 6:15pm.

Respectfully submitted,

Deborah Marquis
