

## **Well Decommissioning Meeting**

Water Extension for Berry Corner Road, H. Foote Road, and Eleanor Lane

Location: Southbridge DPW Conference Room, 185 Guelphwood Rd., Southbridge, MA

Date: Wednesday, February 12, 2020

Present: Attendance Sheet Attached

- Heather Blakely called the meeting to order at 11:02 a.m.
- Matthew Gagner discussed his concerns with the well decommissioning. Well depths recorded did not match the BOH records.
- Andrew Brewer of Bay State discussed his measuring process.
- Mr. Gagner stated he would like the job done correctly and for the project to move forward.
- Mark Widing discussed the well depths.
- Discussion about drill bit sizes used.
- Ms. Blakely asked what work had been performed on Eleanor Lane.
- Fabio Conceicao will have the wells in question re-measured.
- Mr. Gagner stated the bag count is off on Eleanor Lane.
- Well depth measurement is to be consistent going forward.
- Meeting adjourned at 12:15 p.m.
