Meeting commenced at 5 p.m. with Mike Cunningham, Kathleen Walker and Deb Marquis in attendance. Guest was Irene Congdon.

Raffle tickets \$17

Irene filled us in on what we can do for Recycling Grant

There is a Recycling Flyer which we can distribute in Spanish.

Paper shredding is useable even if it is outside the Town; only requirement is that we help pass out the information. We can use it to add to our count.

Deb deposited \$63 for Earth Day and paid Jim at GoGreen money that we owed him in the amount of \$529.99 for Recycling products. She also deposited \$236 for outdoor composters and recycling products.

Minutes will be emailed to all and accepted at next meeting.

Kathleen will have Kara print out the Spanish flyer and bring it to the schools. Need 20 printed and given to Deb.

Meeting adjourned at 6:05 p.m.
