

Charlton Recycling Committee Minutes

August 13, 2020

The meeting began at 5:05 pm on the Town Common. Present were: Kathleen Walker, Mike Cunningham, Deb Marquis and Phyllis Hanlon.

The group welcomed a new member, Phyllis Hanlon. Then Deb talked about having a Paper Shredding event for the town this fall. We will ask permission from the town. A two hour time frame seems fine. Mike said we could ask for donations as well as using our funds. Deb said she would call Pro Serve to reserve a date. Phyllis said she would handle the advertising. The group will meet with BOH in September to go over what we have been doing this year and discuss the shredding plan.

Next, David Singer sent Kathleen a handout he received about "Talking Trash & Recycling " that will be a Zoom presentation offered by Keepmassbeautiful.org. It is free and is about 45 minutes but you need at least 20 people to take part in the Zoom. We can discuss the possibility at the next meeting.

Finally, the next Household Hazardous Waste day on September 26th was discussed. Vouchers from 2020 can be used for this event and that hopefully will use up the older vouchers. BOH voted to pay again in the 2021 budget for 100 new vouchers for \$30 each to be distributed to town residents on a first come/ first serve basis.

The meeting ended at 5:55pm.
