- Chair, Jon Sanborn, called the meeting to order at 6:01 p.m.
- The only item on the agenda was to talk about Covid-19, specifically related to the schools. Health Director James Philbrook was asked to speak about the topic. He stated that the State has mandated the wearing of masks. This was not a decision that the Board of Health made. This will be looked at again on October 1st.
- Resident Joe Spiewak joined the call to talk about a well variance where there are no septic systems in the area. The street is on town sewer. They are asking to have a well 5 feet from the foundation. There is no risk to public health. The address is 187 Sunset Dr. Matt has no problem with this and the Board has issued them in the past. Peter also agrees. Matt made a motion to accept the variance to allow a well at 5 feet from the foundation at 187 Sunset Drive. Peter second and all in favor.
