1. Adoption

The Town of Charlton Water and Sewer Commissioners adopted by the vote of the Commission, the Senior Citizen Sewer User Charge Abatement/Exemption policy and procedure, at their meeting held on October 17, 2005 with an effective date of July 1, 2006.

The Town of Charlton Water and Sewer Commissioners adopted the policy which grants the following percentage of up to 15% (fifteen percent) as the percentage allowed, *not to exceed \$200.00 annually*, for the Senior Citizen Sewer User Charge Abatement/Exemption.

3. Eligibility Requirements

This abatement/exemption is available to qualifying, senior citizen single family homeowners 65 years of age or older, and the qualification date for eligibility is July 1st of the fiscal year the applicant is seeking a sewer Abatement/Exemption. Unlike most personal abatements/exemptions, an eligible applicant may receive the Senior Citizen Sewer User Charge Abatement/Exemption in addition to any other abatement/exemption to which he or she may be entitled.

(a) Age and Ownership

The applicant must be 65 years of age or older as of July first and own the property alone, either with a spouse or with another co-tenant as of July first.

(b) Domicile

The applicant must occupy the property as his or her domicile as of July first.

1. Property jointly owned by Non-Spouses

If the domicile is owned by the applicant as a joint tenant or a tenant in common with a person other than his or her spouse, the abatement/exemption is reduced to an amount which corresponds to the applicant's ownership interest in the property. For example, if a qualified applicant owns one-half of the property, he or she would be entitled to one-half of the abatement/exemption amount. Where more than one co-tenant applies and qualifies for the abatement/exemption, each tenant would be granted an abatement/exemption proportionate to his or her ownership share. For example, if the property is jointly owned by three persons, two of whom qualify for the abatement/exemption, each would be entitled to one-third of the abatement/exemption amount.
